
ELKINS WASTE SERVICES, INC.

63 Elkins Lane, Greenup, KY 606-473-0034

March 20, 2020

Effective immediately, we are making changes to the way we collect residential trash. This is due to the public health emergency caused by the (Covid-19) Coronavirus outbreak. These temporary changes apply to all residential customers serviced by Elkins Waste Services.

All trash must be bagged and placed in an Elkins Waste Services cart or a suitable can that can be lifted by our employees. We will not collect any items setting outside of the can or on the ground. We are suspending curbside bulky item collections and all "Spring Cleanups" at this time. Elkins Waste Services' number one priority is the safety and well-being of our employees. We are taking these temporary measures to try to limit their exposure. We hope everyone understands and supports us in our efforts to create the safest work environment possible.

Curbside recycling customers in Russell and Flatwoods, please continue to follow the in mold lid instructions on your provided cart for recycling.

Sincerely,

Jeffrey Shane Elkins
